Seaton Cup 2014

Many thanks to all the entries for this year's Seaton Cup and to the judges Ron Dickens (winner of the Seaton Cup 2013) along with Jeff Pilling and Raymond Sugden (both retiring members) who had a difficult task in separating out the winners. In case you missed it, here are the results:

Picture Artistic	---	---	Graham Kellett 25 Withernsea Poster	Colin Bentley
Applied or Picture	Pat Steval 21 Tawny Owl	Eric Nye 17 Art Deco Box	Graham Kellett 29 Owl Handbag	Members Choice Seaton Cup

We had thirty eight entries this year (down a little from last year's forty six), split exactly between Applied and Pictures, from eighteen members.

There were five entries in the Kits class, along with nine other entries from Beginners, so over a third of our entries came from our most recent members.

Twenty of the entries received a vote in the Members' Choice, although Graham was the clear winner.

The Clock Project produced nine entries, and I suspect there will be a few more appearing next year as the slower amongst us gets them finished. A big thank you to both Graham Kellett and Malcolm Slater for leading that project; also for excellent instruction sheets and for giving the accompanying demonstrations.

A complete set of pictures of all the entries, along with photos of the winners, can be seen on our revamped website.

Coasters

If you have any finished Coasters for the C4C Show, please bring them this Wednesday 05 November.

Leeds Marquetry Group Website

We have put more money into the website to allow us to have many more pages and good sized pictures. Karen & Neil (Neil says 'mostly Karen!') have put a huge amount of effort into upgrading the website, so do have a look at the new website, which looks great. Many thanks to both of you.

If you have pictures of your past work, then please see Karen, as we intend that every member has their own 'page' on the website.

The Ilkley Art Show

For our second visit to the Ilkley Art Show (in August), we had a better position in the Main Hall allowing us to display a little more and to demonstrate.

We had enough sales of Kits, Coasters, Cards and a Veneer pack to more than cover our costs, and more importantly, three folk signed up for the Beginners' Course.

Daley's Art Shop in Bradford asked to put a link to our website on theirs - a possible future contact?

Colour attracted - and there were 'requests' for more colourful Kits, as well as for more male orientated Card designs.

Thanks to everyone who helped out, and in particular to Godfrey & Lisa through whom we had the original contact.

We intend to go again next year, perhaps taking some display banners.

LMG Card Making Group

A small group have been busy making cards for the C4C Show. They are stunning. If you would like to help in any way, please have a word with Lisa, Marlene or Dorothy.

Pyrography

We have a return visit of Bob and Del Neill with their pyrography machines on 19 November. If you have anything you might wish to 'engrave' then bring it along. Bob will start with a brief demonstration and then it will be 'hands on' for members to have a go.

At the AGM we agreed to purchase a machine for members' use.

Christmas Fuddle

Following the on-going renovation of the toilets at the Polish Catholic Centre, and the uncertainty regarding access to the bar, we have now arranged a Buffet at Sand Moor Golf Clubhouse for Thursday 11 December, so our last 'proper' meeting of the year will be on Wednesday 03 December.

We re-open on Wednesday 07 January 2015.
