Seaton Cup October 2016

Here are the results from last week's Seaton Cup. We had a record 59 entries; well done to all the winners, but also to all those who entered – it was a super display with some impressive items (pictures to follow). I was particularly impressed by the finish that was being obtained – it looks like our annual demonstration is paying dividends.

A big thank you to David and his team of helpers for getting everything sorted, and for the ample buffet – I hope everyone enjoyed a lovely evening in good company.

Class	Third	Second	First	Trophy
Junior	---	---	Ben Dunbar 56 Japanese Fishermen	---
Kit Beginner	Kevin Mansfield 6 Chain Reaction	Anestis Saraliotis 39 Horse Head	Dave Mort 49 Willow Tits	SPA Laminates

Picture Overall	---	---	Peter Mort 23 Lily Cardl	Tommy Limmer
Picture Artistic	---	---	Ben Dunbar 56 Japanese Fishermen	Colin Bentley
Applied or Picture			Pat Steval 53 Bullfinches	Members' Choice (Seaton Cup)

Demonstrations

A big thank you to for our most recent demo leaders: Eric Nye on 'Fine Lines and Dots', and Ron Dickens & Ernest Ripley on 'Fragmentation'. It was evident that some members had learnt from these as you could see the impact in the Seaton Cup entries. Upcoming: Eric Nye & Godfrey Shackleton will be demonstrating 'Fretsaw Work' (on 12 October) and Lawrence Brown will be doing a special demo on 'Glasswork' (23 November).

Demos for next Year

We have already booked Bob Neill to lead an interactive session on 'Pyrography' in November next year. If there are any aspects of marquetry that you would like to see demonstrated, please let Steve know so we can put your ideas into the mix for next year's Programme.

Annual General Meeting

A reminder that the AGM is on 19 October.
