Well done to the winners, but also to the other entries, particularly from our 'Class of 2017' as they were an encouraging part of signing up for the Course.

Thanks once again to David Duxbury for all the organising (a huge amount goes on behind the scenes that most members are unaware of!) and to our entertaining demonstrators who talked themselves hoarse but have signed up eight folk for next year's Beginners' Course; to those who helped set up and dismantle the display, transporting all our stuff to and from the Showground; and volunteers who 'manned' the stall and enthusiastically talked to visitors about our work, also selling our kits and veneer packs to great effect.

Thanks as well to our Honorary President Mark Foster who judged our entries and to the Showground for the cash prizes.

#### Club Project – 3 Veneers

Now that the GYShow is out of the way, I hope all members will turn their attention to the 3 Veneers Project in time for our own Seaton Cup competition (first Wednesday in October). As an encouragement to our newer members, we have three categories of entry: Beginner (first two years), Intermediate and Advanced with prizes of Vouchers for our Shop along with trophies – so get those entries coming!
