Entries this year were more than double those from last year, with forty six in total. It was a delight to see all the wonderful work on display. Well done to everyone. The Leeds Project supplied seventeen of the entries, so many thanks to everyone who took part in that project.

Twenty eight of the entries received at least one vote in this year's Members Choice, but this year there was a clear winner in Ron Dickens – congratulations.

We had fewer entries in the Applied Category, so perhaps we should consider some sort of Applied project for next year?

The Ilkley Art Show

Through Godfrey and Lisa, we were invited to this Show in August. Godfrey writes: Space was limited, so a small selection of kits were taken, along with some veneer packs and cards and other small items (key rings, coasters) that Godfrey had been working on. No demonstration was possible, but plenty of conversation was had, advice was given, and all of the leaflets we had were taken. All day Friday and Saturday lunchtime were very busy, so thanks to Malcolm Headey who helped with the stall. Quite a number of members visited the Show, and Steve Cooper from Malton asked to be remembered to you all.

In all, £130 was taken covering the £60 outlay for the stall.

We have been asked to go again next year, so perhaps this is something we should consider and make a bigger effort with next year.

Leeds Anniversary Project

Now the Seaton Cup is over, we will be looking at ways of combining the Leeds Project pictures into one piece for display at the next three Shows. If any member still has a picture (including ones just finished), then please can you give them to Steve.

Leeds Project Calendar

We intend to make a Calendar from the entries for the Leeds Project, and this should be available for the Crafts For Christmas Show.

Last year, we only had a handful of Calendars 'left over' after members had bought their copies, and they sold very quickly. We will print the same number as last year, and sell those remaining as before to ensure we cover our costs for the exercise.

LMG Card Making Group

A small group have been busy making cards for the C4C Show. They are stunning. Members will have opportunities to buy some at the AGM.
